Collagen

BEAUTY CARE

Feature	Advantage	Benefit (for the product's user)
12 active ingredients	The rich formula is based on 12 active ingredients that have moisturising, lifting, and nourishing properties - synergy and reinforced effect .	70% of consumers confirmed better properties of the mask compared to cosmetics used before; 100% of consumers express willingness to use the mask regularly ¹ .
Marine fish collagen in a complex with silicon	Collagen production stimulation. Works directly on skin surface.	The effect of tightened and smoothened skin noticeable after just 2-4 minutes following application. Significantly smoothenes out wrinkles.
POLYLIFT high molecular weight biopolymer from sweet almonds	Natural ingredient that creates on skin surface a delicate film resembling a "silky spiderweb" that provides a pleasant lifting effect.	A pleasant lifting effect - visible reduction of wrinkles, fine lines and furrows , immediate anti-wrinkle effect, especially around the eyes, confirmed by as many as 76% of women ² .
Ingredients of marine origin. A combination of marine collagen with organic silicon and Sirtalice sourced from marine microorganisms	With regular use for at least 4 weeks, this innovative combination provided in one product guarantees exceptional effects of action. Synergy of action of all ingredients, reinforced effect of rejuvenating action on face skin.	Skin regeneration, improved skin tonus and its firming - spectacular effect after mask use confirmed by 100% of consumers . Smoothening, reducing the depth and visibility of wrinkles - shortening wrinkle length by 20% on average, reducing wrinkle depth by 16% on average - confirmed by 95% of users ¹ .

Beauty Sleep	<p>A cosmetic in line with the newest Beauty Sleep trend. As we rest during sleep, our skin - thanks to properly selected cosmetics - gets younger. Beauty Sleep - in line with natural rhythm of our skin, a selection of properly constructed cosmetic preparations (appropriate formulas).</p>	<p>Beautiful, radiant and healthy skin.</p>
Pump packaging	<p>Hygienic use guarantee no need to interfere with mask structure (touching it with fingers); comfortable and precise way to apply a small amount of cosmetic.</p>	<p>Hygienic application.</p>
