

Pro Aloe Day Cream 50 ml

Did you know that...

- 1** The naturalness index of the new aloe vera day cream is 97.6%. The cream is enriched with natural ingredients that are gentle on the sensitive young skin of the face.
- 2** The rich formula of our aloe vera face cream contains active **ingredients**, including **aloe vera stem cells, Biolin P prebiotic, trehalose, rice oil, hemp oil, hyaluronic acid, betaine, cocoa butter and vitamin E**. Such a great combination of ingredients has a moisturising and brightening effect and makes the cream ideal for daily facial care. All these ingredients make up a comprehensive formula that helps to maintain proper balance of the skin's pH, has a soothing and firming effect on the skin, reduces the visibility of fine lines and wrinkles, and leaves the skin soft, moisturised and silky smooth to the touch.
- 3** The formula has been enriched with:
 - **Biolin P**, a prebiotic that helps to maintain proper pH of the skin, which is important for preserving its natural microbiome and protection against harmful external factors;
 - **Cocoa butter**, which promotes regeneration, smooths and improves the appearance of the skin.
- 4** Ideal day care **for dry and young skin. Skin regeneration based on Age Preventing - a concept of slowing down the ageing process of young skin.**
- 5** The ingredients of the cream are selected to work together, and **their synergistic action helps improve the condition of the sensitive skin of the face.**
- 6** An ideal complementary treatment to the night cream and other cosmetic products from the Pro Aloe line.
- 7** The glass packaging makes application of the cream convenient and, above all, hygienic. **The aluminium seal guarantees safety and hygiene without interfering with the product itself.**
- 8** Our day cream **has a fresh, floral fragrance with the soft scent of lily, rose and jasmine penetrating into a delicate heart of violet and orange blossom.**
