

Pro Aloe Face Cleansing Gel 200 ml

Did you know that...?

- 1** The naturalness index of Pro Aloe Face Cleansing Gel is as much as **88.1%**. The face cleansing gel contains a range of natural ingredients which are usually more gentle for the skin than synthetic ones, which means that the gel is more gentle for the skin of the face.
- 2** The rich composition of the face cleansing gel contains such ingredients as **aloe vera leaf extract, a complex of 8 plant extracts of Asiatic pennywort, common horsetail, witch hazel, lemon, hop, pine, rosemary and sage with vitamin PP and betaine helped us create Pro Aloe Face Cleansing Gel.** Together, all these ingredients form a complex formula which effectively cleanses the skin of the face of impurities, makeup residue and excessive sebum. The rich composition provides proper hydration and soothes the skin, leaving a protective film.
- 3** The composition was enriched with:
 - **a complex of 8 plant extracts sourced from Asiatic pennywort, common horsetail, witch hazel, lemon, hop, pine, rosemary and sage,** which contributes to skin regeneration;
 - **vitamin PP** which prevents transepidermal water loss (TEWL), smoothes the skin and reduces discoloration.
- 4** The product is **100% vegan.**
- 5** Together with other products from the same line, the ingredients of the face cleansing gel are selected to work together, **and their synergistic action contributes to improving the skin condition.**
- 6** The face cleansing gel **does not contain SLS or SLES, however, it contains detergents of natural origin** which are gentle for skin and mucosas while cleansing the skin effectively.
- 7** The face cleansing gel **has a refreshing fragrance note in which the subtleness of violet and rose penetrate to the mild heart of white flowers.**
