

Pro Aloe Shower Gel 200 ml

Did you know that...

- 1** The naturalness index of our new shower gel is **94.7%**, which is **15.4% higher** compared to the previous version. The shower gel contains more natural ingredients, which tend to be gentler on the body's skin.
- 2** The rich formula of the shower gel contains 5 **extracts from green tea, oregano, mint, aloe vera and honey** - this perfect blend of ingredients makes our shower gel ideal for daily body care. All these ingredients form a comprehensive refreshing formula that gently cleanses the body, removes excess sebum and helps to restore the hydrolipid skin barrier.
- 3** The formula has been enriched with:
 - **green tea extract** - to nourish skin and give it a radiant appearance;
 - **mint extract** - to give a refreshing sensation during application.
- 4** In addition to its primary cleansing function, the shower gel also has a **soothing effect on the skin, supporting and restoring its natural hydrolipid barrier.**
- 5** The ingredients of the gel have been carefully selected to work together and their synergistic effect helps to cleanse and refresh the body's skin in a more effective way.
- 6** The formula of the gel contains cleansing **substances of natural origin**, which are gentle on the skin and mucous membranes and effectively remove impurities.
- 7** A pleasant, fresh, floral-citrus note enriched with green scents provides a **feeling of freshness during the daily bathing ritual.**
- 8** Easy and convenient gel application - simpler and more precise dispensing.
