

# Pro Collagen Night Cream 50 ml

## Did you know that...?

- 1** The naturalness index of the new **collagen night face cream is as much as 96.6%**. The cream was enriched with natural ingredients that are gentle on the sensitive skin.
- 2** The rich composition of the collagen face cream contains as many as **7 types of collagen, a complex of 5 types of hyaluronic acid, a complex of *Chlorella Vulgaris* microalgae and hydrolysed algin in sea water, cocoa butter, betaine and avocado oil**. Ingredients selected this way let us create an intensely moisturising anti-aging face cream that is perfect for the night skin care for men and women whose skin shows signs of ageing. All these ingredients form a complex formula which, among others: **reduces the visibility of fine expression lines and wrinkles, reduces the signs of ageing, has lifting properties, enhancing skin tautness, colour and condition.**
- 3** The composition was enriched with:
  - **7 types of fish collagen with moisturising, regenerating properties, reducing the visibility of wrinkles;**
  - **a complex of 5 types of hyaluronic acid, which reaches different layers of the skin to provide deep and multi level hydration;**
- 4** Specially selected **active substances derived from marine organisms according to the current trend "Marine organisms are a key to our youth"**
- 5** A valuable ingredient - **PHEOHYDRANE** - can still be found in the cream composition, providing an effect of **"second skin"**. It's an active ingredient with complex moisturising properties.
- 6** Pro Collagen Night Cream is a perfect night care option for everyone. **The cream can be applied independently on the age; when wrinkles appear, and the skin loses its firmness and tautness.**
- 7** Rich consistency cream - **perfect for night care in line with the "beauty sleep" trend.**
- 8** The ingredients of the cream are selected to work together, and their synergistic action helps **improve the condition of the sensitive skin of your hands.**
- 9** Pro Collagen day and night cream work together perfectly to provide daily skin care.
- 10** A new, hygienic glass packaging facilitates cream application. A spatula for applying the cream and a protective foil guarantee safety and hygiene without changing the product weight.
- 11** A new, subtle, fresh and floral cream scent with distinctive notes of lily, jasmine and rose.
